FARMERS' MARKET

Know your farmer, know your food.

We are a producers' market offering locally grown produce and farm products as well as artisan crafts, baked goods, ethnic and local cuisine. We are located at 200 Sanders Street in Kemptville, Ontario and operate from 12 - 4, every Sunday from the last weekend in May until Thanksgiving weekend. Our biggest draw happens on August 27, when MarketPlates is held. This is a partnership between the farmers and local chefs who offer tastings of gourmet delights made with the farmers' produce. You can find more information on Facebook or on our website:
