SALT THERAPY A Powerful Ally in the Winter

With the onset of winter, many of us fall prey to sore throats, upper respiratory tract infections and skin-related problems. Halotherapy or salt therapy can actually help alleviate all of these conditions, symptoms and more.

**AT LAST...
 AN EXERCISE
 FROM THE
 NECK UP!**

Non-surgical Facial Rejuvenation is a natural way to go and 'naturally you!'

No surgery, just toning for facial muscles. 'It's like taking your face to the gym!'

Done with micro-current, it is a totally painless, completely safe and a non-invasive alternative to surgery or laser.

After 5 years in Nepean, Dr. Semph Chiropractic & Wellness Clinic is introducing this technology to Winchester.
