

# Dundas Manor is celebrating 40 Years of Family

40 years of providing love and care  
in our community

We have a lot to celebrate!

Dundas Manor opened its doors on April 5, 1978. Over the past 40 years, we have had the true privilege of caring for many seniors and residents of our communities. When a resident moves into our home, they become part of the Manor family. Their family is welcomed and brought into the circle of care.

When you stop to consider the number of people that this building has opened her arms to, it is quite remarkable.

Thank you for letting us be part of this family!
